## 2 or 3 days

TOUR NO. 9609 – December 31, 2009  
TOUR NO. 9610 – December 30, 2009\*

Our newest extravaganza for you on New Year's Eve will be a brand new and exciting destination, located along the Seaway Trail on the shores of Lake Erie, at ERIE Pennsylvania's fourth largest city – ERIE, Pa! There are so many brand new features here, including the facility for our New Year's Eve HAWAIIAN SHOW and LUAU BUFFET. This new state of the art complex houses THE CRYSTAL PALACE, as well as two lovely new attached hotels.

Here, in ERIE, you will find lots of TAX FREE SHOPPING at the famous Millcreek Mall featuring over 175 department and specialty stores and the entire area of Peach Street has expanded to include a variety of outlet shops, factory warehouses, boutiques and speciality shops. It is truly a shopper's mecca with all the New Year's Sales and mark downs are everywhere.

If you're not a shopper, there is also another new state of the art facility called PRESQUE ISLE DOWNS & CASINO, featuring 2,000 slot machines, three dining areas and four lounges. This facility also offers live and simulcast racing and wagering.

The choices are yours to make, while visiting in ERIE over New Year's but more choices will await you enroute home when we make a visit to Niagara Falls, New York, where you will, again, have the choice of visiting the Factory Outlet Mall with many indoor stores and a very large food court OR Seneca Niagara Casino, attached to a beautiful hotel with several choices for eating or snacking and a hotel lobby that is well worth a visit just to "ogle" art.

Come along and spend New Year's Eve with our exciting and fun filled HAWAIIAN SHOW, HAWAIIAN LUAU BUFFET, DJ FOR ENTERTAINMENT DURING

INTERMISSIONS, THREE COCKTAIL COUPONS, MIDNIGHT CHAMPAGNE AND OF COURSE, PARTY FAVORS! This will be the most fabulous kick-off to 2010 that you could ever attend.
