

TOURNAMENT OF ROSES & LAS VEGAS

12 days ^

TOUR NO. 9620 - December 27, 2009

1-3 Today we begin our journey to the fabulous Tournament of Roses. Our flight today takes us to **LAS VEGAS** where we will be met by our motorcoach and transferred to our hotel. Whether you have visited Las Vegas before or not you will be astounded at the enormity and glitz this city offers. You will be amazed as you walk the strip and explore the mega casinos located here; maybe you will even want to take in one of the major entertainers who are sure to be performing. While here we include dinner at a magnificent buffet as well as a visit to the Fremont Street Experience. An optional trip to the Hoover Dam will also be offered.

4 Later this morning we depart Las Vegas and travel west to the Pacific Coast. We travel to **SANTA ANA** in Orange County where we will spend the next 4 nights. During our stay we will visit Crystal Cathedral and have reserved seats for the Glory of Christmas Pageant. There will be time for optional side trips to Disney Land and Catalina Island.

5 This morning we include a guided tour of **LOS ANGELES** and of course Beverly Hills where you will be amazed at the glamour of Rodeo Drive. In the afternoon you will have some free time for shopping as we prepare for our New Years Eve dinner complete with wine and champagne.

6 **HAPPY NEW YEAR!** This morning we depart bright and early for the highlight of our tour, The Rose Bowl Parade. We include a boxed lunch and reserved bleacher seating right on the parade route where your viewing will be spectacular. This afternoon following the parade we take all to the post parade marshalling yard where you can get so close to the floats you can almost touch them. This evening we include dinner at the hotel.

7 This morning we travel south to **SAN DIEGO** where you will be able to enjoy the wonderful harbourfront as well as a visit to Old Town. While here we include a guided tour of this great city. Today we will also include admission to the Mission at San Juan Capistrano.

8 & 9 **OUR 8 AND 15 DAY PASSENGERS WILL BE LEAVING US TODAY** and we are off to the fabulous town of **PALM SPRINGS**, California called "The Jewel Among Desert Cities" because of its village atmosphere which has been preserved and cherished. Rich in history and blessed with glorious weather, it's a prime destination for travelers from all over the world. We will do a guided tour which includes movie stars homes, celebrity country clubs, date farms and more. There is an aerial tram which is one of the world's most spectacular aerial rides to Mountain Station at 8,516 feet, featuring a restaurant, cocktail lounge and gift shop. Your escort will offer this as an optional inclusion and advise you of the cost, should you wish to participate.

10 & 11 Today we depart Palm Springs and travel the short distance to **LAUGHLIN**, Nevada on the Colorado river. There is a nice variety of casinos and lots of entertainment. During our days we will visit the **GRAND CANYON** (weather permitting) visit an authentic Ghost Town at Oatman with gold mines, historic buildings, saloons and gunfights in the street. We will also include dinner and entertainment on one of our nights.

12 This final day of our tour finds us traveling the short distance back to Las Vegas for our return flight home. We are sure you will return with many wonderful memories of this trip of a lifetime to California and Nevada.
